## SINCERE THANK YOU

To all the amazing individuals and families who have been generously donating their time and efforts over these past year to volunteer with us on a regular basis. These hands have helped us host many events and these faces have been shining with their smiles in our Cathedral.

They worked hard by stretching their time between busy work, family, and volunteer lives, constantly being available whenever necessary! The time and efforts of these wonderful people are greatly appreciated!

At this time, we invite *new volunteers* to come and participate in the vibrant service of our Cathedral and to make their contribution to the life of our Church!
